About the Company

Heeri Konba Handicraft Producer Company Ltd. strives towards producing the finest Handicraft products by stepping on the ladder of aged old inherited skills and knowledge of Handicrafts. Our Company with its roots deeply buried in the prosperous Handloom and Handicraft sector of the state is endeavouring towards streamlining the unorganised skill possessed by many into an organized one.

The O/o the Development Commissioner (Handicrafts), Ministry of Textiles gives us wings to rise towards a better tomorrow. Being the light that shines so bright at the end of the tunnel, the Ministry recognized the Samurou Cluster as an Adopted Cluster.

In 2020, under the aegis of the O/o the Development Commissioner (Handicrafts), Ministry of Textiles, Heeri Konba Handicraft Producer Company Limited was incorporated under the Companies Act 2013. The newly formed company stitched together a mosaic of Artisans to form a rainbow Alliance.

Each penny you spend on our products counts and keeps the lamp of kitchen burning ensuring that no Artisans should go to bed hungry.
